

# Wishing

## Tantric

No need to look around  
There's no one here but you  
So I scream without a sound  
And hope that it gets through  
Time is clamping down  
Its getting hard to breathe  
I can't imagine how to live my life without you in it

Cause I've been wishing so hard  
Tell me can you relate  
You want something so bad and in time  
Its too long to wait  
Cause I've been wishing so hard  
Tell me if you think that its true  
Cause everything I've been wishing for I had in me in you

There's nothing left to say  
There's nothing left to do  
Just turn and walk away  
And I'll do the same thing too  
And when you're all alone  
Waiting for a call  
There'll be nobody home, nobody there for you at all.

Cause I've been wishing so hard  
Tell me can you relate  
You want something so bad and in time  
Its too long to wait  
Cause I've been wishing so hard  
Tell me if you think that its true  
Cause everything I've been wishing for I had in me in you

Oh cause I've been waiting for this life long enough to survive many lives b  
ut I wont give up  
This blood sweat and tears I've given through the years I overcome the fears  
too much is never  
enough  
I think I'm wasting my time  
I think I'm losing my mind, yeah  
I think I'm wasting my time  
I know I'm losing my mind, yeah

Tell me can you relate  
Ohhh when in time its too long to wait

Cause I've been wishing so hard  
Tell me can you relate  
You want something so bad and in time  
Its too long to wait  
Cause I've been wishing so hard  
Tell me if you think that its true  
Cause everything I've been wishing for I found in me in you

Cause I've been wishing so hard  
Tell me can you relate  
You want something so bad and in time  
Its too long to wait

Cause I've been wishing so hard  
Tell me if you think that its true  
Cause everything I've been wishing for I had in me in you

In you  
In you
