

Wishing

Tantric

No need to look around
There's no one here but you
So I scream without a sound
And hope that it gets through
Time is clamping down
Its getting hard to breathe
I can't imagine how to live my life without you in it

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
Its too long to wait
Cause I've been wishing so hard
Tell me if you think that its true
Cause everything I've been wishing for I had in me in you

There's nothing left to say
There's nothing left to do
Just turn and walk away
And I'll do the same thing too
And when you're all alone
Waiting for a call
There'll be nobody home, nobody there for you at all.

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
Its too long to wait
Cause I've been wishing so hard
Tell me if you think that its true
Cause everything I've been wishing for I had in me in you

Oh cause I've been waiting for this life long enough to survive many lives b
ut I wont give up
This blood sweat and tears I've given through the years I overcome the fears
too much is never
enough
I think I'm wasting my time
I think I'm losing my mind, yeah
I think I'm wasting my time
I know I'm losing my mind, yeah

Tell me can you relate
Ohhh when in time its too long to wait

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
Its too long to wait
Cause I've been wishing so hard
Tell me if you think that its true
Cause everything I've been wishing for I found in me in you

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
Its too long to wait

Cause I've been wishing so hard
Tell me if you think that its true
Cause everything I've been wishing for I had in me in you

In you
In you
