

Another Moment

Tanya Donnelly

All your friends have changed
Another moment too soon for you
The angle shifts again
Another moment too soon
Now it's time to take a walk
Now it's time to take the walk you've been side-slipping

Time to move your sorry bones up off the floor
Time to rise above your situation
Time to make sure the current pauses at your door
Time to seek your own level baby

Amazing things have strayed within your reach
Are you unfazed and unimpressed by all you could have had with
ease
Amazing things have strayed within your reach
Another moment too soon for you
Now it's time to take the walk you've been side-slipping

Time to move your sorry bones...

So what if you come undone on your way to the sun
Your home-made kite melts down and out of sight
You'll find that your arms are fine and strong and move you along
And not a moment too soon

Time to move your sorry bones...
