

## Best Of My Love

Tanya Tucker

Every night I'm lying in bed holdin' you close in my dreams  
Thinkin' about all the things that we said  
They're coming apart and it seems  
We tried to talk it over but the words come out too rough  
I know you were tryin' to give me the best of your love

Beautiful faces and light at the places look at the way that we  
live  
Wastin' our time on cheap talkin' wine left us so little to give  
That same old crowd was like a cold dark cloud  
That we could never rise above  
Here in my heart I give you the best of my love

Oh, oh, sweet darling, get the best of my love  
Oh, oh, sweet darling, get the best of my love

I'm going back in time and it's a sweet dream  
Here was a quiet night and I would be all right if I could go on sleepin'  
Now in the morning I wake up and worry what's gonna happen today  
And you see it your way and I see it mine but we both see it slipping away  
You know we always have each other, baby, I guess it wasn't enough

Oh, oh, but, oh, sweet darling, you get the best of my love  
Oh, oh, sweet darling, every night and day you get the best of my love

Oh, oh, sweet darling, oh, you get the best of my love  
Here in my heart, I give you the best of my love
