

## Complicated

Tanya Tucker

Throw up a quarter and I'll call it  
heads he loves me, tails he loves me not  
I keep his picture in my wallet  
I guess I miss him a little more than I thought  
It's complicated  
It's underrated  
This is so much more than I anticipated  
It's heart related  
It's complicated

Am I flyin' am I sinkin'?  
Do it feel good or do it hurt?

I'd like to tell him what I'm thinkin'  
Right now I just can't find them words

It's complicated  
It's underrated  
This is so much more than I anticipated  
It's heart related  
It's complicated  
We're walking hand in hand on Sunday  
Havin' it out on Sunday night  
We might be makin' up come Monday  
Our love is never black and white

It's complicated  
It's underrated  
This is so much more than I anticipated  
It's heart related  
It's complicated

You love to love 'em and you hate to hate 'em  
and hate to love 'em

It's complicated, yes it's tough  
It's complicated woah yeah  
He's wearing me out  
This is difficult  
You got another quarter?!
