

# I'll Take The Memories

Tanya Tucker

There's a van out in the drive  
It's time to divide everything up  
We've taken down the bed  
Where so many nights we made love

We've gone through everything  
And given back the rings  
We once cherished  
You can take the things you want  
And leave the things you don't  
But as for me

I'll take the memories  
You can have the rest  
Well, I know we've had some bad times  
But our good times were the best

There's, oh, so many keepsakes  
After all that we've been through  
But I'll take the memories  
If I can't have you

I don't know just what I'll do  
I've been so used to loving you  
Such a long time and even though I'll try  
There's no way that I'll get you off my mind

So while we're packing up our lives  
And saying our goodbyes, I won't tell you  
You can take the things you want  
And leave the things you don't  
But as for me

I'll take the memories  
You can have the rest  
I know we had some bad times  
But our good times were the best

There's so many keepsakes  
After all that we've been through  
Yes, I'll take the memories  
If I can't have you
