

# If I Didn't Love You

Tanya Tucker

I can't believe It's really me telling you goodbye  
I've run out of reasons to defend your alibis  
I can't go on pretending everything is still okay  
Now I know the truth behind all the games you played  
It wouldn't be so hard for me to turn my heart away  
If I didn't love you

Looking back, it's easy now for me to understand  
Why you got so angry when I asked you where you'd been  
You told me my suspicions were only jealousy  
And you used the way I trusted you to make a fool of me  
You closed my eyes to lies that I could never have believed  
If I didn't love you

Cause if I didn't love you  
I'd have walked away a long, long time ago  
And if I didn't love you  
I never would have let you hurt me so

Now the time's come for me to tell you that we're through  
Leave this broken dream behind and go find someone new  
And I could see that it would be an easy thing to do  
If I didn't love you

Cause if I didn't love you  
I'd have walked away a long, long time ago  
And if I didn't love you  
I never would have let you hurt me so  
If I didn't love you  
If I didn't love you  
If I didn't love you
