

Not Fade Away

Tanya Tucker

I'm gonna tell you how it's gonna be
You're gonna give your loving to me
Love that lasts more than one day

Love is love and not fade away
Love is love and not fade away

My love is bigger than a Cadillac
I try to love you but you drive me back
Your love for me just got to be real
For you to know just how I feel

I said love is real and not fade away
I said love is real and not fade away

I'm gonna tell you how it's gonna be
You're gonna give your loving to me
Love that lasts more than one day

Love is love and not fade away
I said love is love and not fade away
Not fade away, not fade away

Love is real and not fade away
I said love is real and not fade away
Not fade away, not fade away
