## **Strong Enough To Bend**

**Tanya Tucker** 

There's a tree out in the backyard That never has been broken by the wind And the reason it's still standing It was strong enough to bend

For years, we have stayed together As lovers and as friends What we have will last forever If we're strong enough to bend

When you say something that you can't take back Big wind blows and you hear a little crack When you say, "Hey, well, I might be wrong" You can sway with the wind till the storm is gone (Sway with the wind till the storm is gone)

Like a tree out in the backyard That never has been broken by the wind Our love will last forever If we're strong enough to bend

Yeah

When you start thinkin' that you know it all Big wind blows and a branch will fall When you say, "Hey this job takes two" We can sway with the wind till the skies turn blue (Sway with the wind till the skies turn blue)

Like a tree out in the backyard That never has been broken by the wind Our love will last forever If we're strong enough to bend Our love will last forever If we're strong enough to bend
