

# What Your Love Does For Me

Tanya Tucker

I was givin' up on givin' love another try  
But you were easy on the heart  
And easy on the eye

Yeah, I wouldn't have believed it if I'd been told  
I'd have my very own angel to hold  
Like a warm blanket I can wrap around my soul

You're good lookin'  
You're good luck  
You make me feel like a million bucks

That's what your love does for me  
Like a child, a little wild  
And like everything I do is in style  
That's what your love does for me

You took my outlook and you sure shook it up  
With a little bit of sweetness  
From your lovin' cup

What was once half empty is now half full  
Now I'm an optimist, baby, dyed in the wool  
Ever since you gave my lonely heart strings a pull

You're good lookin'  
You're good luck  
You make me feel like a million bucks

That's what your love does for me  
Like a child, a little wild  
And like everything I do is in style  
That's what your love does for me

You set the mood  
You set me free  
Like a prisoner with my own jail key  
That's what your love does for me

Like a new dime  
Don't I shine  
Feels like every day with you is spring time  
That's what your love does for me

Feel like a child  
I'm a little wild  
And like everything I do is in style  
That's what your love does for me  
That's what your love does  
That's what your love does for me
