

## Beautiful

### Tapping the Vein

Please, I Don't Know What You're Saying  
It All Sounds Like Mud To Me  
There's A Man Here  
I've Seen His Face  
He's Sure I'll Recognize Him And He's Breathing All His Hate On  
Me  
He Binds My Wrists And He Throws Me Down

And I Can't See

Wake Me  
I Hope I'm Dreaming  
I Am Beautiful  
I'm Beautiful  
Wake Me.  
There Must Be Some Mistake

No, I Don't Hear What I'm Hearing  
Fear You Are My New Best Friend  
Cause These Wicked Boys Brought Their Pieces And Their Itchy Fi  
ngers  
And The Panic Crawls Into My Throat Cause I Turn My Head And Th  
ey're Looking At Me.

And I Can't Breathe

Save Me I Think I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake

And I Can't Scream  
I Can't Scream  
I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake  
Save Me  
Look, I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake
