Please, I Don't Know What You're Saying
It All Sounds Like Mud To Me
There's A Man Here
I've Seen His Face
He's Sure I'll Recognize Him And He's Breathing All His Hate On Me
He Binds My Wrists And He Throws Me Down

And I Can't See

Wake Me
I Hope I'm Dreaming
I Am Beautiful
I'm Beautiful
Wake Me.
There Must Be Some Mistake

No, I Don't Hear What I'm Hearing
Fear You Are My New Best Friend
Cause These Wicked Boys Brought Their Pieces And Their Itchy Fi
ngers
And The Panic Crawls Into My Throat Cause I Turn My Head And Th
ey're Looking At Me.

And I Can't Breathe

Save Me I Think I'm Bleeding I Am Beautiful I'm Beautiful Save Me
There Must Be Some Mistake

And I Can't Scream
I Can't Scream
I'm Bleeding
I Am Beautiful
I'm Beautiful
Save Me
There Must Be Some Mistake
Save Me
Look, I'm Bleeding
I Am Beautiful
I'm Beautiful
Save Me
There Must Be Some Mistake
