

# Undone

## Tapping the Vein

I Feel Like I'm Going To Break Open Wide  
I Can't Stop The Walls From Burning, Swelling My Wide Eyes  
The Fear That I'm Fearing Now Is Crippling Me  
Leaving Me Broken, Shivering Here On My Knees

I Feel Like I'm Ready To Crack From Head To Heel  
Knowing I'll Never Reach All The Things That I Need To Feel  
And With The Way That It's Haunting Me And The Depth That It Ru  
ns  
I Am Amazed That It Took Me This Long To Come Undone

It's Raining On Me Now  
The Rain It Won't Stop

It's Raining On Me  
The Rain It Won't Stop

It Won't Stop  
It Won't Stop  
It Won't Stop
