

Fault

Taproot

Why did I let you inside my life
How could I let you inside my body my soul my brain
Now I cant make you go away
You are driving me insane and inside out...
I can tell
Its meaningful and so hurtful
There's no place just to hide

I can tell you right now that this pain that I feel is not just
inside of my mind
I can tell you right now that it's physical and painful to be s
o vulnerable

Oh this is my fault
Oh this is my fault

How could I lie to myself again
These bad decisions a never ending story
You think I'd know by now just how to bow
to smile
You are driving me insane and inside out...because
It's meaningful and so hurtful
There's no place just to hide

I can tell you right now that this pain that I feel is not just
inside of my mind
I can tell you right now that its physical and painful to be so
vulnerable
I can tell you this pain is so unreal cant help but feel left a
ll alone
I can tell you to listen to me when I say to you I know

This is my fault
Oh this is my fault

I know this is my fault (x 4)

I can tell you right now that this pain that I feel is not just
inside of my mind
I can tell you right now that it's physical and painful to be s
o vulnerable
I can tell you this pain is so unreal can't help but feel left
all alone
I can tell you to listen to me when I say to you I know

This is my fault
Oh this is my fault
Oh this is my fault

Oh this is my fault
Oh this is my fault
