

## Memorial Park

Taproot

Standing closer now  
free rocks to the warm  
and beneath the clouds  
two box before the sun

One..for granted  
where you were once be

Alright fall time now  
memory inside to see  
and in the sin sin bow  
behind the road once..

Is exactly as I remember it  
the night when we were laughing  
you miss that..  
you miss the days that still..wonder in ..  
beneath the beautiful bird outside

One..for granted  
where you were once be

Of the..Sundays when  
..shows in the sand  
..time that you have spent  
the cherish ..friend  
I'll have your park now  
necklace made of gold  
even pleasure in your hand  
the story now before  
sun is now behind you  
place I have upon your shoulder  
with the whispering in hour
