

Enough

Tarja Turunen

Ego selfish Prima Donna
Dancing in your poisoned cage
Thinking that your consciences clearer
If you drink your dreams away

Feed your anger to the devil
In yourself built wishing well
Take a swim in muddy waters
All the dirt will leave a trail

Had enough symphonies of sorrow
The beast of prey a breath away
Masterpiece of treachery

Built a wall and made me crumble
Just because I am in love
Don't you cry now look at all the
Dolls and toys that you have got

Smash the mirror of perversion
With the dagger that you made
Mirror, mirror, is there someone
who can make your day today?

Had enough symphonies of sorrow
The beast of prey a breath away
Had enough symphonies of sorrow
The beast of prey a breath away
Masterpiece of treachery

Had enough symphonies of sorrow
The beast of prey a breath away
Had enough symphonies of agony
The beast of prey a breath away
Masterpiece of treachery
