

Fly Me To The Moon

Tarja Turunen

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a-Jupiter and Mars

In other words, take my hand
In other words, baby, kiss me

Fill my heart with song and
I will sing forever more
You are all I long for
All I need to hold and adore

In other words, please be true
In other words, I love you

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a-Jupiter and Mars

In other words, please be true
In other words
In other words, I, I love you
