

# Until My Last Breath

Tarja Turunen

Cannot cry it loud enough  
I'm giving up this ghost  
How can I still justify  
When you deny my voice  
In this nothing I am not allowed  
I just follow alone  
Words as weapons without a sound  
Echoes dying unborn

Until my last breath  
You never know  
Until you feel the silence  
When I am gone  
Now it's vanishing  
Everything  
What we might have been  
Only now you praise  
Call my name  
But you won't see again

Who can change this memory?  
Inside it needs to burn  
Worship by the enemy  
The guilty take their turns  
Watching as it's disappearing  
Shadows all that remain  
Wishes slowly crossing over  
In this parade of pain

Until my last breath  
You never know  
Until you feel the silence  
When I am gone  
Now it's vanishing  
Everything  
What we might have been  
Only now you praise  
Call my name  
But you won't see again

Until my last breath  
You never know  
Until you feel the silence  
When I am gone  
Now it's vanishing  
Everything  
What we might have been  
Only now you praise  
Call my name  
But you won't see again

Until my last breath  
Until my last breath
