

# Start The Fire

Tarkan

Baby, I'm feeling your fire  
I'm feeling you close to me  
Feel the desire  
Tell me you wanna take a ride  
I wanna get you alone  
And make you mine  
Cause when I see you I do that chiki, chiki, chiki, chiki thing I wanna roll

And if you wanna tell me, tell me what you want and baby we can let it go  
Crazy, you making me high  
I'm doing things I'd never do  
I'm out of mind

Say say say, baby that you want it too  
Everything you wanna do  
It's on tonight  
Say say say, we're gonna break all the rules  
It only takes me and you  
To start the fire

Ooooooooo

Lady, you seeing me fall  
I wanna see that shake, shake, shake,  
I wanna see it all  
Show me how to let go  
Take me up there with you  
Don't take it slow  
Cause when I see you I do that chiki, chiki, chiki, chiki thing I wanna roll

And if you wanna tell me, tell me what you want and baby we can let it go  
Crazy, you're making me high  
I'm about to lose control  
You, I can't deny

Say say say, baby that you want it too  
Everything you wanna do  
It's on tonight  
Say say say, we're gonna break all the rules  
It only takes me and you  
To start the fire

Ooooooooo

Start the fire, start the fire, start the fire...

I like the way you chiki, chiki... start the fire  
Uhh you gotta give me, give me... start the fire  
Soon you gotta tell me, tell me.... start the fire  
Uhh I like it when you... start the fire

Say say say, baby that you want it too  
Everything you wanna do  
It's on tonight  
Say say say, we're gonna break all the rules  
It only takes me and you  
To start the fire
