Baby, I'm feeling your fire
I'm feeling you close to me
Feel the desire
Tell me you wanna take a ride
I wanna get you alone
And make you mine
Cause when I see you I do that chiki, chiki, chiki, chiki thing I wanna roll

And if you wanna tell me, tell me what you want and baby we can let it go

I'm doing things I'd never do

Crazy, you making me high

I'm out of mind

Say say say, baby that you want it too Everything you wanna do It's on tonight Say say say, we're gonna break all the rules It only takes me and you To start the fire

Lady, you seeing me fall
I wanna see that shake, shake,
I wanna see it all
Show me how to let go
Take me up there with you
Don't take it slow
Cause when I see you I do that chiki, chiki, chiki, chiki thing I wanna roll

And if you wanna tell me, tell me what you want and baby we can let it go Crazy, you're making me high I'm about to lose control
You, I can't deny
