

## Far Away

Tarrus Riley

Ha ha I love you I love you yeah for all that you are I love you  
u I love you yeah my star  
And you never gave my love away always hold on and what ya'll put  
together  
Let no one bring us under

When am far away she always wait  
(I love you) (3x)  
Even when am far far away she  
Never give my love away no no

With all that I put you through I've got to give you credits cause  
you never cheated  
You never even thought about it me love how you keep it true yeah  
h me love how u  
Hold it and that separates us from the rest jah bless yeah with  
you I share my world  
What's mine is yours girl and with you I want to live and what  
ya'll put together let  
No one bring us under

When am far away she always wait  
(I love you) (3x)  
Even when am far far away she  
Never give my love away no no

I give thanks for all the love that we share baby oh share yeah  
such joy to know  
How much you care for me ooh yeah and with you there's no one else  
you can't  
Be replaced no no and with you I know it's real and what ya'll  
put together let no one  
Bring us under

When am far away she always wait  
(I love you) (3x)  
Even when am far far away she  
Never give my love away no no

I love you I love you yeah for all that you are I love I love you  
girl my star ya never  
Never give my love away ya always hold on the most I put together  
no one bring us  
Under

When am far away she always wait  
(I love you) (3x)  
Even when am far far away she

Never give my love away no no
