

# I'm Not Missing You

Tarrus Riley

No tears again  
No tears just friends  
They say I don't know  
What you've got to let's go on  
But since my break up with you  
What they say might not be true  
Say I don't know  
What you got till it's lost  
I'm not longer wake up with you  
And I'm feelin brand new  
No more fighting  
I've tried, it didn't work  
Thats life  
Hope you doing well without me  
I'm doing fine without you  
Hope you doing better without me  
I'm doing great without you  
Guess what?  
I'm not missing you  
Ever since the split  
I feel like the weight has lifted  
But I must admit  
That getting over you wasn't easy  
You were always say  
I regret the day  
You walk out on me  
And I'll be sorry  
Hope you doing well without me  
I'm doing fine without you  
Hope you doing better without me  
I'm doing great without you  
Guess what?  
I'm not missing you  
Never been one to burn a reason acrossed  
The relationship wouldn't sail  
And we were going nowhere  
Fast  
Now you wondering  
If is gain or a loss  
But I never had a second force  
I never since we both had  
No more quarrels  
I've tried it didn't work  
Thats life  
So hope you're doing well without me  
Cause I'm doing fine without you  
Hope you're doing better without me  
I'm doing great without you  
Guess what?  
I'm not missing you  
I'm not missing you  
I'm not missing you  
Girl  
I'm not missing you  
Lady  
They say I don't know  
What you've got till is gone

But since my break up with you  
What they say might not be true  
They say I don't know  
What you got till is lost  
I'm not longer wake up with you  
And I'm feel in brand new  
No more fighting  
I've tried, it didn't work  
Thats life  
So hope you doing well without me  
Cause I'm doing fine without you  
Hope you doing better without me  
I'm doing great without you  
Guess what?  
I'm not missing you  
I'm not missing you  
I'm not missing you, believe it  
I'm not missing you over you babe  
I'm not missing you
