

# Ready For Love

Tata Young

Out of luck with love, but still I played the game  
Crossed the heart and hoped to God that it would change  
So many times, afraid to give my heart away  
That was before you came  
Showed me another way

Close my eyes  
And tell myself that it's all right (it's ok girl, it's ok girl)  
Do you feel the way I feel?  
'Cause if I let you in  
Baby you can get the best of me

The way that you love me, love me, love me  
'S'got me thinkin' I'm ready, ready, ready  
When I couldn't see  
You know you made me believe that  
I'm ready for love  
The way that you love me, love me, love me  
'S'got me thinkin' I'm ready, ready, ready  
Can't keep it inside  
Because you're doing it right  
And I'm ready for love

Resigned to me, myself and I but you flipped it  
Never thought that I would find something like this  
You stole my heart and ooh you got me good  
Keep doing what you do  
Cos's I'm so in love with you

Talk to me  
And tell me (s'ok girl, go ahead girl)  
'Cause I'm laying down my cards  
And I'm putting down my guard  
Baby you can get the best of me

Hold up, wait a minute, want my love? Come get it, get it!  
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love  
)  
Said hold up, wait a minute, want my love? Come get it, get it!  
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love  
)  
Said hold up, wait a minute, want my love? Come get it, get it!  
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love  
)

Close my eyes  
And tell myself that it's all right (s'ok girl, go ahead girl)  
Cos I'm laying down my cards  
And I'm putting down my guard  
Baby you can get the best of me
