

Clowns (Can You See Me Now?)

t.A.T.u.

Can you see me now?
Can you see me now?
Can you see?

All this weeping in the air,
Who can tell where it will fall?
Through floating forests in the air
'cross the rolling open sea

Blow a kiss, I run through air
Leave the past, find nowhere
Floating forests in the air
Clowns all around you.

Clowns that only let you know
Where you let your senses go.
Clowns all around you
It's a cross I need to bear

all this black and cruel despair
This is an emergency
Don't you hide your eyes from me
Open them and see me now

Can you see me now?
Can you see me now?
Can you see?
