

Loves Me Not

t.A.T.u.

1. I complicated our lives
By falling in love with him
I complicated our lives
Now I'm losing my only friend
I don't know why, I had to try
Living my life on the other side
Now I'm so confused
I don't know what to do

- R: He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me...

2. I started blurring the lines
Because I didn't care
I started crossing the line
Cause you were never there
No where to turn no one to help
It's almost like I don't even know myself
Now I have to choose
I don't know what to do

- R: He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me

- R: He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me...

- *: No where to turn
No one to help
It's almost like I don't even know myself
Now I have to choose
I don't know what to do

- R: He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me not

- He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me not
