Perfect Enemy

Why should I welcome Your domination Why should I listen To explanations I'm not pretending To make it simple Try to be something Experimental You don't turn me off I will never fail Things I loved before, are now for sale Keep yourself away Far away from me I'll Forever stay Your perfect enemy

No longer waiting Remove illusions No more complaining Forget confusion No more compassion Not sentimental I am now something Experimental You don't turn me off I will never fail Things I loved before, are now for sale Keep yourself away Far away from me I'll Forever stay Your perfect enemy
