## **Running Blind**

Reaching for you I know you're out there somewhere It's too dark, I'm so cold I know I had to come here

Every broken dream That I leave behind Keeps me going on Keeps me running blind

Calling your name, I hear only echoes Searching the rain, I see only shadows You've got to show me your face Voices, I hear them calling behind me Phantoms of you are burning inside me You've got to give me a sign

Fading slowly You're drifting into darkness I can't see, I can't think I need to keep on searching

Every memory Every thought of you Is inside of me Tells me what to do

Calling your name, I hear only echoes Searching the rain, I see only shadows You've got to show me your face Voices, I hear them calling behind me Phantoms of you are burning inside me You've got to give me a sign

Can you hear me? Am I only wasting time? Are you near me? Are you only in my mind? Are you, are you?

Calling your name, I hear only echoes Searching the rain, I see only shadows You've got to show me your face Voices, I hear them calling behind me Phantoms of you are burning inside me You've got to give me a sign
