

(goodnight My Love) Pleasant Dreams

Tavares

Goodnight my love
Pleasant dreams, sleep tight my love
May tomorrow be
Sunny and bright and draw you closer to me

Before you go
There's just one thing I'd like to know
If your love is still warm for me
Or has it grown cold

If you should wake in the still of the night
Please have no fear
For I'll be there, you know I care
Please give your love to me dear, only

Goodnight my love
Pleasant dreams, sleep tight my love
May tomorrow
Be sunny and bright and draw you closer to me

If you should wake in the still of the night
Please have no fear
For I'll be there, you know I care
Please give your love to me dear, only

Goodnight, goodnight my love
Pleasant dreams, sleep tight my love
May tomorrow
Be sunny and bright and draw you closer to me, yeah, yeah

I'm only sayin' baby
Don't say goodnight
No, no, no, no, baby, yeah
Don't say, don't say goodnight, baby

'Cause I love you
Oh, my baby, yeah baby
I've got to have your love
'Cause I love you, love you baby

I don't wanna, I don't wanna
Please don't, please don't go
I must have, I must have you baby
Please, please baby, I want you to stay right by my side

I don't want you to go, I don't want you to go, no
Said I, no, no, no, baby
I love you, love you baby
I need you, need you baby

Goodnight my love
Goodnight my love
Goodnight
