

# That's The Sound That Lonely Makes

Tavares

Mmm, that's the sound  
That lonely makes  
Oh, that's the sound  
My heart can't take

Streets deserted  
Only emptiness and me  
Walk side by side  
Down the road to destiny

Time for dreaming  
(Time for dreaming)  
'Cause reality makes me cry  
I'm left with memories  
(Left with memories)  
Of a love saying goodbye

Oh, clocks keep a-ticking  
But time will stop for me  
I've lost the beat of life  
With the start of misery

Oh, that's the sound, yeah  
That lonely makes  
Yeah, yeah, yeah  
Ooh, ooh, that's the sound  
(That's the sound, yeah)  
My heart can't take, mmm

That's the sound  
(That's the sound, oh, baby)  
That lonely makes  
Yeah, yeah  
That's the sound  
My heart can't take, oh

Sometimes at night  
I hear crying in my sleep  
(I hear crying in my sleep)  
And I wake up (and I wake up)  
And find out it was me

Conversations (conversations)  
With walla that echo back  
The noisy silence  
(The noisy silence)  
That shows her where I'm at

Oh, I search for answers  
So, tell me why am I  
Could a love going so strong  
Be a nightmare now

Oh, that's the sound (yeah(  
That lonely makes  
(That's the sound, baby)  
Woo hoo, that's the sound

(That's the sound)  
My heart can't take

That's the sound  
(That's the sound)  
That lonely makes  
(That's the sound, baby)  
That's the sound, yeah  
My heart can't take

Do do do do...

Oh, a time for dreaming  
'Cause reality makes me cry  
I'm left with memories  
Of a love saying goodbye

Oh, that's the sound  
(That's the sound)  
That lonely makes (baby)  
(That's the sound)  
That's the sound  
My heart can't take, yeah

That's the sound  
(Emptiness in me, baby)  
That lonely makes  
(It's all memories)  
That's the sound  
(That's the sound)  
That's the sound  
My heart can't take

Oh, that's the sound  
That lonely makes, baby  
(Oh, baby)  
That's the sound  
(That's the sound, yeah, yeah)  
My heart can't take
