

The Mighty Power Of Love

Tavares

The Mighty Power of Love
It's got more force than any shot
Love can open any door
Stand alone on any floor
If you're in doubt, why don't you check it out?

The Mighty Power of Love
Sweeter than the flower's bud
Love can break through shields of anger
Make a friend out of a stranger
Can't say enough, love can do so much

Love can make a winter's day
Seem like the 4th of July
Oh, love can make a lover's dream
Come true before his eyes
Oh, woah, oh, woah, woah-woah, oh

The Mighty Power of Love
It's got more force than any shot
It's your lifeline to the shore
Your umbrella when it pours
Can't say enough, love can do so much

Mighty Power
Power of Love, yeah
Mighty Power
Power of Love, yeah

Ooh, love can give the beggar courage
Courage to face up to kings
Oh, love can make the weak man strong
Love can do many things
Oh, woah, oh, woah, woah-woah, oh

The Mighty Power of Love (The Mighty Power of Love)
It's got more force than any shot
It's your ladder to the top
It's your neck when you've been dropped
Can't say enough, love can do so much

The Mighty Power of Love (The Mighty Power of Love)
Can't say enough, love can do so much

The Mighty Power of Love
If you're in doubt, why don't you check it out?

Mighty Power (Mighty, mighty power)
Power of Love, yeah (Get down with the power)
Mighty Power (Mighty, mighty power)
Power of Love, yeah (Get down with the groove, y'all)
Mighty Power (It's got more force than shot, yeah)
Power of Love, yeah (Talkin' 'bout love, love, love)
Mighty Power (Your lifeline to the shore, yeah)
Power of Love, yeah (The mighty, mighty, mighty power)
Mighty Power (I've got to have love, yeah, yeah)
Power of Love, yeah (Got to sing the song, love, hey, hey)
