

Afterglow

Taxiride

So long, you gotta go
I've pushed the door against your shoes
For too long
And now you say you can't decide
Which way to run or where to hide, you're so wrong
I can't believe this is going on

Too late to steal the show
Long time waitin' for the afterglow
If it's over, then I have to know
You wanna leave so just go on
And half the time I'd carry on
Cause I need you, and it hurts to show

You tie me up, you tie me down
I came undone, you came around
You were so strong
And now you're free to play the field
With love to win and hearts to steal, so long
You say you're never coming back

Too late to steal the show
Long time waitin for the afterglow
Now you're leavin and it hurts to know
Lost chance and now you're gone
And half the time I'd carry on
Cause I need you, but it hurts to show
