

# Do You Want It Right Now

Taylor Dayne

Do you know how lucky I feel I am  
To find a man who loves me, as I am  
You never try to change a single part of me  
You're easy to love, with those qualities

An everyday you teach me more and more  
Inside me I want a glow  
And every night you think of only me  
The way you keep me satisfied

You do all the things I like  
I want ya, oh I want ya so  
Do you want it right now  
Oh, I can't let go

I want ya so bad, give me all you have  
I can show you now, do you want it right now  
You have a rare sensitivity  
I really believe you know how to feel

I trust you with all my heart and soul  
You care too much too let me take control  
And every day you teach me more and more  
Inside me, I want to glow

And every night you think of only me  
Oh you keep me satisfied, you do all the things I like  
I want ya, oh I want ya so  
Do you want it right now, oh I can't let go

I want you so bad, give me all you have  
I can show you how, do you want it right now  
I want ya, I want ya so  
Do you want it right now,

Oh I can't let go  
Want ya so bad, give me all you have  
I can show you how, do you want it right now  
Do you want it, want it right now baby

Right now  
Do you want it, want it right now  
I can hear it from ya right now  
Do ya want it want it right now

Right here, right now, right now, right now  
I want you screaming, screaming  
Everyday you teach me more and more  
Inside me I want to glow

And every night you think of only me  
The way you keep me satisfied, you do all the things I like  
I want ya, oh I want ya so, I want it right now  
Oh can't let go, I want ya so bad give me all you have

I can show you how, do you want it right now  
I want ya, I want ya so

Do you want it right now, oh I can't let go  
I want ya so bad, give me all you have, I can show you how
