

Love Will Lead You Back

Taylor Dayne

Saying goodbye is never an easy thing
But you never said, that you'd stay forever
So if you must go
Well, darlin, I'll set you free
But I know in time
That well be together
Oh, I wont try
To stop you now from leaving
Cause in my heart I know

Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong
Im sure, sure as stars are shining
One day you will find me again
It wont be long
One of these days
Our love will lead you back

One of these nights
Well I'll hear your voice again
Youre gonna say, oh, how much you miss me
You walked out this door
But someday you'll walk back in
Oh, darling I know
Oh, I know this will be
Sometimes it takes, sometime out on your own now
To find your way back home

But I wont try to stop you now from leaving
Cause in my heart I know...oh yeah

Love will lead you back
Someday I just know that
Love will lead you back to my arms
It wont be long
One of these days
Our love will lead you back
