

Tell It To My Heart

Taylor Dayne

I feel the night explode when we're together
Emotion overload in the heat of pleasure
Take me I'm yours into your arms
Never let me go
Tonight I really need to know

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name

The passion's so complete. It's never ending
As long as I receive, the message you're sending
Body to body, soul to soul
Always feel you near
So say the words I long to hear

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name

Love, love on the run, breaking us down
Though we keep holding one
I don't want to lose, no I can't let you go

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name

Tell it to my heart, tell me from the start, tell it to my heart
t
Tell it to my heart, tell me from the start, tell it to my heart
t
Never make it stop
Oh, take it to the heart

Tell it to my heart
