Choirgirl

Taylor Henderson

ooking like a choirgirl Crying like a refugee Looking like a choirgirl Crying like a refugee One nurse to hold her One nurse to wheel her down The corridors of heeling And I've been trying But she's crying like a refugee

Loves me like a sister Loves me like an only child Loves me like a sister Loves me like an only child She's my connection I'll hold on And never, never, never let her down Cause she's alone And she loves me like an only child

Suffer little children Send that little child to me All day the doctor Handles his responsibility

Looking like a choirgirl Crying like a refugee Looking like a choirgirl Crying like a refugee She's my connection I'll hold on And never, never, never let her down Cause she's alone And she's crying like a refugee
