

# I Live On A Battlefield

**Taylor Hicks**

I live on a battle field  
Surrounded by the ruins of the love we built  
And then destroyed between us  
The smoke has cleared  
As I stumble through the rubble  
I'm a dazed seeing double  
And I'm a truly mystified

My new home  
Has a shallow feel  
With tears and muddy waters  
And bits of broken heart  
All around  
There is desolation  
Scenes of a devastation  
Of love been torn apart  
I live on a battlefield  
I live on a battlefield

I live on a battlefield  
The one wear not one single drop of blood has spilled  
Is no less a horrifying  
Sweet memories memories  
Of a bygone situation  
And now shattered lord and battered  
Lives scattered around

My new home  
Has a shallow feel  
With tears and muddy waters  
And bits of broken heart  
All around  
There is desolation  
Scenes of devastation  
Of love been torn apart

I live on a battlefield

My new home  
Is a shallow feel  
With tears and muddy waters  
And bits of broken heart  
All around  
There is desolation  
Scenes of devastation  
Of love been torn apart

[illegible]

I live on a battlefield  
I live on a battlefield  
I live on a battlefield  
I live on a battlefield  
I live on a battlefield  
I live on a battlefield
