

## Another Day

James Taylor

Oh, wake up Susie  
Put your shoes on  
And walk with me into this light, ooh,  
Finally this morning  
I'm feeling whole again  
It was a hell of a night

Just to be with you by my side  
Just to have you near in my sight  
Just to walk a while in this light  
Just to know that life goes on

Wake up Susie  
Put your shoes on  
Walk with me into this light

Another night has gone  
Life goes on  
Another dawn is breaking  
Turn and face the sun  
One by one the world outside is waking

Morning light has driven away  
All the shadows that hide your way  
And night has given away  
To the promise of another day

Another day  
Another chance that we may  
Finally find our way  
Another day

Old sundown's begun  
To melt all our fears away  
Another day  
Another day

Oh, wake up Susie  
Put your shoes on  
Walk with me into this light.
