James Taylor

Someone turn the time on Another day, dead and gone A lifetime is slippin' away, babe But as far as I can see That doesn't apply to you and me We are high above the family tree Hidden in the deep blue sea

Industry on parade Punch a clock 9-to-5 But beginning is beginning to fade away Ah, but look out from now on, baby As far as the eye can see Unafraid to be free Shinin' on the silver sea You and me, we got to be movin'

Pickin' up, carry on Lead you children right on Carry on, carry on

Heaven knows I love you Don't you know that it's true yourself Looks like you and me baby Dancin' by the shinin' sea
