Fool for You

James Taylor

My lady don't allow the life I lead She don't abide by some of the company that I keep She takes occasion to criticize, and carry on I love her so, I just can't stand it no more I'm a fool for you babe, don't you know Mess around momma, I'm a fool for you mommaroo...

I should say My baby knows that I'm crazy 'bout her lovin' That's alright, she takes unfair advantage now and then She jumps at the chance to tease me with her body Lord, I love that thing so Just can't stand it no more I'm a fool for you babe Look around I'm a fool for you Have a sweet thang today
