

## Going Around One More Time

James Taylor

My heart had been broken  
And I couldn't take no more  
I shuttered up my windows  
And I bolted tight my door  
Then I took one look at you  
And I nearly lost my mind

Now I'm going 'round going 'round  
Going 'round going around one more time  
Yes I'm going 'round going 'round  
Going 'round going around one more time

Betty was a little heartbreaker  
It didn't quite work out  
She did a number on my confidence  
I was riddled with self doubt  
I said that's it I'm through I quit  
The juanita she looked so fine.

Now I'm going 'round going 'round  
Going 'round going around one more time  
Yes I'm going 'round going 'round  
Going 'round going around one more time

'round and 'round in a circle  
It's always the same  
One moment you swear you've had enough  
The next you've got to know her name

All on my own it wasn't that bad  
I was getting by as I could get  
I stopped into a drug store  
For one pack of cigarettes  
She didn't have a quarter  
Had to call her cousin Kate  
And could I lend her maybe  
One thin dime

Now I'm going 'round going 'round  
Going 'round going around one more time  
Yes I'm going 'round going 'round  
Going 'round going around one more time
