

(I'm a) Road Runner

James Taylor

Money, who needs it
Let me live a life free and easy
Put a toothbrush in my hand
Let me be a travelling man
I'm a roadrunner baby

I'm a road runner baby
Any place is my home
I'm a road runner baby
You look for me and I'll be gone

Well you can love me if you want
But I do declare
When I get restless
I've got to move somewhere

I'm a road runner baby
Just got to keep on keeping on
And I love the life I live
And I'm gonna live the life I love

Don't want no woman
To tie me down
Gotta be free baby
To roam around

All my life it's been like this
If you love me it's your own risk
When the dust hits my shoes
I got the urge to move

I'm a road runner baby
Anyplace is my home
And I love the life I live
And I'm gonna live the life I love
Roadrunner baby
