

Is That the Way You Look?

James Taylor

(Excuse me? Excuse me, yes?)
Is that the way you look?
Is that the way you look?
Is that the way you look?
Is that really the way that you look now?
Oh darling, darling
Is that the way you look?

Is that really your eyes?
Is that really your hair?
Is that really the way you walk on by?
Are those the clothes you wear?
Oh darling, darling
Is that the way you look?

Woh Baby, oh baby
Woh Baby, baby, baby
I got the question for you
Woh baby, oh baby
Woh Baby, baby, baby
Tell me now is it true?

Is that the way you look?
No, no I mean is that the way you really look?
Is that the way you look?
Is that the way you look?

Baby, maybe I'm dreaming
But I'll be bound
Whoever wakes me up
I'm going to knock him down
Oh darling, darling
Is that the way you look?

Well I rubbed my eyes
And I pinched my leg
And I asked my friend
And I shook my head
But baby, Is that the way you look?
