Lighthouse

James Taylor

Off the coast of Africa Bound for South America A world away from here Is a ship that sails the sea Is a man who's just like me And I wish that I was there

I'm a lonely lighthouse, not a ship out in the night I'm watching the sea She's come half-way round the world to see the light and to stay away from me There is a shipwreck lying at my feet Some weary refugee from the rolling deep Ah, would you lose it all and fall for me?

Couldn't we shine? I'm rolling all my golden moments into one Like to shine like the sun for one more Summer day Shine like a lighthouse for one last Summer night Flashing on, flashing, fading away

Well if you feel lost and lonely and don't know where to go And you hear this song on the radio Or even if you're feeling healthy and strong You might like to sing along But just because I might be standing here That don't mean I won't be wrong this time You could follow me and lose your mind

Couldn't we shine? I'm rolling all my golden moments into one Like to shine like the sun for one more Summer day Shine like a lighthouse for one last Summer night Flashing on, flashing, fading away

Off the coast of Africa bound for South America A world away from here Is a ship that sails the sea Is a man who's just like me And I wish that I was there
