

Not Fade Away

James Taylor

I'm been dyin' to tell you 'bout how it's gonna be
You're gonna give a your love to me
Love will last more than one day
That your lovely love will never fade away
That lovely love will not fade away, no

And my love is bigger than a Cadillac
I'll drive you and you drive me back
Your love for me has got to be real, got to be real
'Cause you'll understand just how I feel, baby
You'll understand just how I feel, yeah
How I feel, got me feelin' really good today, yeah

Now let me tell you how it's gonna be, how it's gonna be
You're gonna give a your love to me, yeah
Love will last more than one day, more than one day
But your lovely love will never fade away
Baby, no, will never fade away

That your lovely love will not fade away
Never gonna fade away
That your lovely love will not fade away, baby, baby
That your lovely love will not fade away
Never fade, never fade, never fade away
