

Places in My Past

James Taylor

There are ladies in my life
Lovely ladies in these lazy days
And though I never took a wife
May I say that I have loved me one or two
Of the people in my past
Fading faces in a waking dream
And though they never seemed to last very long
There are faces I remember
From the places in my past
I said all the dead head miles
And the insincere smiles
Sometimes I can laugh and cry
And I can't remember why
But I still love those
Good times gone by
Hold on to them close or let them go, oh no
I don't know
I just seem to sing these songs
And say I'm sorry for the friends I used to know
