

She Thinks I Still Care

James Taylor

Just because I ask a friend about her
And just because I spoke her name somewhere
Just because I dialed her number by mistake today

She thinks I still care

And just because I honk the same ol' places
Where the memory of her lingers everywhere
Just because I'm not the happy guy I used to be

She thinks I still care

Then if she's happy thinking I still need her
Then let that foolish notion bring her cheer
But how could she ever be so foolish?
Tell me, where would she get such an idea?

Just because I ask a friend about her
Just because I spoke her name somewhere
Just because I saw her and went all to pieces

She thinks I still care
She thinks I still care
