

# Wichita Lineman

James Taylor

I am a lineman for the county  
And I drive the main road  
Searchin' in the sun  
For another overload

I hear you singin' in the wires  
I can hear you through the whine  
And the Wichita lineman  
Well, he's still on the line

I know I need a small vacation  
But it don't look like rain  
If it snows that stretch down south  
Won't ever stand the same, no

And I need you more than want you  
And I want you for all time  
And the Wichita lineman  
Well, he's still on the line

And I need you more than want you  
And I want you for all time  
And the Wichita lineman  
He's still on the line

Still on the line, still on the line  
He's still on the line, he's still on the line  
The lineman, still on the line  
He's still on the line, still on the line
