

You Can Close Your Eyes

James Taylor

Well the sun is surely sinking down
But the moon is slowly rising
So this old world must still be spinning 'round
And I still love you

So close your eyes
You can close your eyes, it's all right
I don't know no love songs
And I can't sing the blues anymore
But I can sing this song
And you can sing this song
When I'm gone

It won't be long before another day
We gonna have a good time
And no one's gonna take that time away
You can stay as long as you like

So close your eyes
You can close your eyes, it's all right
I don't know no love songs
And I can't sing the blues anymore
But I can sing this song
And you can sing this song
When I'm gone
