

## Begin Again

Taylor Swift

Took a deep breath in the mirror  
He didn't like it when I wore high heels, but I do  
Turned the lock and put my headphones on  
He always said he didn't get this song but I do, I do

Walked in expecting you'd be late  
But you got here early  
And you stand and wait  
And I walk to you  
You pulled my chair out and helped me in  
And you don't know how nice that is  
But I do

And you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never d  
id  
I've been spending the last 8 months thinking all love ever doe  
s  
Is break and burn and end  
But on a Wednesday in a Café I watched it begin again

You said you never met one girl  
Who has as many James Taylor records as you  
But I do  
We tell stories and you don't know why I'm coming off a little  
shy  
But I do

But you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never d  
id  
I've been spending the last 8 months thinking all love ever doe  
s  
Is break and burn and end  
But on a Wednesday in a Café I watched it begin again

And we walk down the block to my car  
And I almost brought him up  
But you start to talk about the movies  
That your family watches every single Christmas  
And I won't talk about that  
For the first time, what's past is past

'Cause you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never d  
id  
I've been spending the last 8 months thinking all love ever doe  
s

Is break and burn and end

Then on a Wednesday in a Café I watched it begin again

Then on a Wednesday in a Café I watched it begin again
