

# Breathe

Taylor Swift

I see your face in my mind as I drive away  
'Cause none of us thought it was gonna end that way  
People are people and sometimes we change our minds  
But it's killing me to see you go after all this time

Mmm, mmm, mmm, mmm, mmm, mmm, mmm, mmm  
Mmm, mmm, mmm, mmm, mmm, mmm, mmm, mmm

Music starts playin' like the end of a sad movie  
It's the kinda ending you don't really wanna see  
'Cause it's tragedy and it'll only bring you down  
Now I don't know what to be without you around

And we know it's never simple, never easy  
Never a clean break, no one here to save me  
You're the only thing I know like the back of my hand

And I can't breathe  
Without you, but I have to  
Breathe  
Without you, but I have to

Never wanted this, never want to see you hurt  
Every little bump in the road I tried to swerve  
People are people and sometimes it doesn't work out  
Nothing we say is gonna save us from the fall out

And we know it's never simple, never easy  
Never a clean break, no one here to save me  
You're the only thing I know like the back of my hand

And I can't breathe  
Without you, but I have to  
Breathe  
Without you, but I have to

It's two a.m., feelin' like I just lost a friend  
Hope you know it's not easy, easy for me  
It's two a.m., feelin' like I just lost a friend  
Hope you know this ain't easy, easy for me

And we know it's never simple, never easy  
Never a clean break, no one here to save me, oh

I can't breathe  
Without you, but I have to  
Breathe  
Without you, but I have to  
Breathe  
Without you, but I have to

I'm sorry, I'm sorry, I'm sorry  
I'm sorry, I'm sorry, I'm sorry, I'm sorry
